

THE UPPER HOUSE
HONG KONG

The House Collective.
Four unique hotels.
Four different
experiences.

The House Collective is a group of refined, highly individual hotels that defy comparison. Each uniquely imagined, our warm and engaging houses are full of character, with wonderfully comfortable rooms, fabulous destination restaurants, intriguing art and always a few fun surprises.

Find yourself amidst the neon cityscape of Hong Kong, fashionable streets in Shanghai, Beijing's thriving art scene or Chengdu's monumental past. Our four Houses are uniquely imagined to reflect the soul and aesthetics of the locale. They call out to all those in search of authentic and intimate experiences and who share a love for arts and stunning architecture. We understand every one of our guests and ensure them an incredible stay.

Every House has its own story to tell

THE HOUSE
COLLECTIVE
居舍系列

The Opposite House, Beijing celebrates the unconventional, its design imagined as an art gallery rather than a hotel.

The Upper House, Hong Kong is an intimate urban retreat with soaring views of the city's harbour and hills.

The Temple House, Chengdu is where contemporary design meets local heritage with its Qing dynasty courtyard.

The Middle House, Shanghai channels Shanghai's heritage of craftsmanship as well its fashion-forward dynamism.

The Upper House

The Upper House is a highly individualised small luxury hotel designed by Hong Kong architect Andre Fu.

The hotel's 117 rooms (including 21 suites and 2 penthouses) start at 730sq ft – the largest in Hong Kong.

They feature wonderfully spacious bathrooms, dressing areas and offer either scenic harbour or island views. Calming and contemporary, the rooms are designed to provide a sense of relaxation, warmth and understated luxury.

Where we are

- The Upper House sits above Pacific Place, Hong Kong's premier integrated commercial, retail and hospitality complex
- Located in the heart of Hong Kong's business district
- 40 minutes away from the airport and within walking distance of many tourist attractions.

An Upward Journey

A woman with long dark hair, wearing a dark blue sleeveless dress and a watch, is smiling as she pours wine from a large spherical decanter into a wine glass. She is standing behind a bar counter. In the background, a male bartender is visible, and shelves are stocked with various bottles. The scene is set in a modern, well-lit bar or restaurant.
