

Convenience • Superiority

Ideally situated in downtown Kowloon adjacent to the bustling Nathan Road, The Cityview is right at the heart of the territory's transport hub to all destinations. It's a 45-minute drive from the Hong Kong International Airport and just a minute walk away from the Yau Ma Tei MTR station with a host of popular chain stores and great dining outlets nearby for you to enjoy. Also, just 10 minutes away on foot are some of the most famous tourist and commercial attractions like the Ladies' Market, Jade Market, Temple Street Night Market and many others, making The Cityview the ideal destination for both business and leisure travellers.

Green Accommodation

The Cityview achieves world-class green eco standards and provides the finest in healthy accommodation by means of initiatives such as: dedicated live plant walls in the lobby, plus in-room environmentally friendly facilities as well as a smoke free overall environment. Boasting Gold Certificate status from the globally respected Environmental Management Programme - EarthCheck, we are the prestige property at the forefront of eco-conscious hospitality in Hong Kong.
